

The Hebron Chorus is launching their fifth season this fall on November 15th at 7 p.m. with a wonderful concert. For the Fall concert, they will be celebrating their 5th season with a concert built on the themed “*Fill the World with Music.*” Some old, well-loved favorites from the past few years, as well as some fun new pieces including our very first commissioned work!

Suggested donation is \$20 per person. Attached is flyer for the concert. Please copy and share with your friends and invite them to come.

The Chorus is a program within The Hebron Town Center Project whose focus is “place-making,” a concept for building community involvement by creating gathering places and initiatives where people choose to go to spend their leisure time. We hope to draw public attention to the traditional role of our downtown as the center of community life. If you like the sound of that, [join us!](#)
